

# 34 6 300 Brake piston tool

Minimum set: Mechanical tools

Note:

For turning back brake piston when fitting new brake pads, disc brakes front and rear

Series:

R50, R52, R53, R55, R56

SI number:

1 05 01 (718)

Order number:

34 6 300  
Brake piston tool

Consisting of:

1 = 34 6 301

Pin wrench

Note: For turning brake piston. Brake: Teves

2 = 34 6 302

Thrust sleeve

Note: For fitting rubber sleeve (dia. 63)

3 = 34 6 303

Thrust sleeve

Note: For fitting rubber sleeve (dia. 54)

4 = 34 6 304

Thrust member

Note: For pressing piston back

5 = 34 6 305

Screw

Note: For pressing piston back

6 = 34 6 306

Nut

7 = 34 6 307

Plate

8 = 34 6 308

Spindle (M18x2,5)

9 = 34 6 309

Pin wrench

Note: For rotating brake piston on R56. Brake: TRW
